Dear

As I mentioned to you on the phone yesterday, the Commission will be taking a delegation to Poland and the Soviet Union from 1 to 10 April. As usual, the Commission hopes to meet with both official and unofficial people. I have attached lists of both types with whom we will be trying to meet. Any biographical information you can supply us on these folks will be greatly appreciated. In addition to some maps of Poland, we would also like to have maps of Warsaw, Gdansk, and Krakow, if possible. (These are the cities we hope to visit.)

I hope to have our briefing books together for review by the Members by the last week in March. Can you get these materials to me by the week of the 21st? Please let me know if this will be a problem. Since there has been significant interest in this trip, we will need about 30 copies of all materials.

Please call me if you need any more information about the trip. My number is 225-1901.

With thanks and kindest regards, I am

Sincerely yours,

*Erika*
